OUR FOOTBALL PHILOSOPHY

“The game is about glory, it is about doing things in style and with a flourish”

Danny Blanchflower Former Tottenham Hotspur Captain

Tottenham Hotspur has a reputation of playing stylish, flowing football. From the ‘push and run’ side of the 1950’s to the present day, flair, fluidity and attacking football are the hallmarks of Spurs

“It is better to fail aiming high than to succeed aiming low. And we of Spurs have set our sights very high, so high in fact that even failure will have in it an echo of glory.”*Bill Nicholson Former manager and legend of Tottenham Hotspur*

‘The Tottenham Hotspur Way’ is our history, heritage and tradition. It’s what we have become known for.”

We are a Football Club built upon firsts; we were the first Club of the last century to win the Double and the first to win two different European trophies.

This spirit of challenge and innovation underpins everything we do
